Communicating with families of children in foster care
Constructive problem solving
Health
Home safety
Human sexuality
Interactions with children
Regulations governing foster homes
Medication administration
Post-traumatic stress disorder
Separation issues
Specific topics related to children with special needs

Book/video reports:

For books the following applies:

Every 100 pages read = 2 hours

50 pages read= 1 hour

25 pages read= $\frac{1}{2}$ hour

10 pages read= .25 of an hour

Popular articles (magazines) regarding children = .25

Professional articles = $\frac{1}{2}$ hour

Videos are the same as a training: 1 hour of a video equals 1 hour of training.

**for both books and videos you must complete a book/video report form for every book or video read. Each person must have a separate book/video report even if you read the same book or watch the same video.

Online training:

You must provide KVC with a copy of a certificate of completion.

You can check on www.childally.org for online trainings.
