

KVC Kansas is a private, nonprofit organization that provides in-home family support and behavioral healthcare, family reunification services, relative care, foster care and adoption. Through a unique and successful public/private partnership, KVC Kansas serves more than half of all children and families involved in the child welfare system.

Over the last year, we helped people in many ways:

360 children matched with adoptive families last year

3,700 children matched with adoptive families since 2005
