

Our Annual Impact

KVC Kentucky is a private, nonprofit organization that strengthens families, prevents child abuse and neglect, and helps both children and adults achieve mental health wellness. Our services include family strengthening services aimed at safely preventing the need for foster care, mental and behavioral healthcare, and substance use treatment. KVC is unique in providing services in families' homes or virtually to make help convenient and accessible.

Over the last year,
we helped people in many ways:

12,000 children and adults served statewide

7,301
children in
